

MILL STREET & Co.

All Source Receives Business Excellence Award, Manufacturing Sector

Toronto, January 2, 2019 – Mill Street & Co. (“Mill Street”) subsidiary, All Source Security MFG Corp. (“All Source”) has been selected as the category winner for the 2018 Manufacturing Business Excellence Award at the Barrie Chamber of Commerce Business Awards. The award is presented annually to companies in recognition of their business showing excellence in manufacturing through productivity and innovation, export/import operational efficiencies, new product/market development, and manufacturing techniques.

With over 15 years of document destruction industry experience, All Source has developed a very strong and loyal customer following. Delivering innovative new products, best in class customer service, and creating industry leading manufacturing partnerships throughout North America are key factors towards All Source’s success.

Tim Young, President and General Manager said, “I am extremely proud and honoured to be part of this team and for the organization to be recognized locally. Barrie is a thriving market with lots of strong manufacturing companies in the area. Having a customer base across North America as well as managing the global markets, we are fortunate to be able to grow our business and service our customers while living and raising families within the Barrie and Simcoe County area. We believe in the philosophy of ‘work hard, play hard’ and ‘you get out what you put in’ and this recognition has reaffirmed those values and is what creates the passion for excellence to our customers and team members.”

Matt McKeown, Director of Sales & Marketing says, “Our manufacturing success is a direct result of listening to the feedback and unique requirements of our customers. With their input and our team’s expertise, All Source is able to constantly create new product designs and improvements to provide the most durable and secure containers in the market.”

“Offering solutions and delivering on commitments to our clients from inquiry to post sales service is what drives us,” comments Amanda Medlyn, Manager, Supply Chain Optimization.

All Source would like to thank the Barrie Chamber of Commerce, City of Barrie, preferred partners, all employees, family and friends, and finally our loyal customers for making this award a possibility and for being a large part of our organization’s success!
